

CRYSTAL

Join our Eminent Chairmen at the Ocean's Most Glamorous Casino

It's the hottest ticket of 2024, the opening of our new seabound Casino de Monte-Carlo. We will be spinning the wheels for the first time on this special cruise, joined by two leading lights of the world of travel, Manfredi Lefebvre D'Ovidio, Executive Chairman of A&K Travel Group, and Geoffrey Kent, Founder and Chairman Emeritus of Abercrombie & Kent.

Our two eminent Chairmen will host a glittering gala onboard *Crystal Symphony* to celebrate the unveiling of this most sophisticated of gaming rooms, with its echoes of ritzy Monaco, which will redefine the oceangoing casino.

We've arranged a splendid voyage to complement the occasion, from Venice to Piraeus (Athens), November 14 - 24, 2024. Departing the great Italian merchant city, we will sail along the coast of Croatia to Greece, calling at destinations including the UNESCO World Heritage city of Kotor, the island of Crete, and our final stop, Piraeus, gateway to Athens.

Book now to join us for this historic, unmissable voyage.
